## ADVANCES IN KNEE ARTHROPLASTY

Wednesday, May 12 and Thursday, May 13, 2010

at

2 Queen Anne Street, London, W1G 9LQ  
in the Duke Of Chandos Suite, First Floor

Advances in Knee Arthroplasty is led by key national and international opinion leaders in the field. The meeting focuses on all the elements of primary and revision knee arthroplasty from prosthetic material and design to surgical technique in complex revision surgery. The format consists of four to six short lectures in each section followed by ample time for discussion and debate. Advances in Knee Arthroplasty is aimed at senior trainees and consultants who wish to learn, share, debate and discuss ideas and surgical techniques in an exciting environment with a group of international surgeons in one room.
